Vincent A. Yu was chosen as a national awardee in the Ten Outstanding Students of the Philippines (TOSP) during the awarding ceremonies held at the Malacañan Palace last August 29, 2013. Yu is a summa cum laude graduate of the Cesar E.A. Virata School of Business in April 2013. There were 233 students nominated from 120 participating schools. Several rounds of screening were conducted including a regional search that reduced the candidates to 30 national finalists. The national finalists attended a National Formation Program from August 23 to 28.

The annual search for TOSP that started in 1961 recognizes graduating college students who exemplified and balanced their academics, leadership and community involvement. It is a project of the RFM Foundation.
