COLLEGE OF HOME ECONOMICS

BS Family Life and Child Development
(BSFLCD)

BS Home Economics
(BSHE)

**BS Hotel, Restaurant and
Institution Management**
(BSHRIM)

We are the only program that studies human development but gives particular attention to the **first 6 years of life**

So distinct that our Department has the youngest students are enrolled in UP, **from 3 months old infants**

We make use of our laboratory school, the **UP Child Development Center** for theory based practices

Some of the unique subjects we have are:
FLCD 113 (Adolescence and Adulthood)
FLCD 135 (Marriage and Family Relations)
FLCD 137 (Parent-Child Relations)

**LOOKING FOR
A COURSE IN**

UP Diliman?

The Bachelor of Science in Home Economics (BSHE) program offers a learning environment that nourishes the mind, body and heart that will prepare you for a satisfying personal and professional life.

The BSHE course offers subjects in these areas:

- *Education, Training and Research
- *Entrepreneurship and Livelihood Education
- *Consumer Studies
- *Family Resource Management
- *Foods and Nutrition
- *Food Service Management
- *Clothing and Crafts

“Cultivate your **potentials**
while enjoying **college life**.
Take the **BS Home Economics**
program.”
