**The Dock** provides shortcuts to important pages on UVLe. It includes the [Dashboard](#), My Courses, My Files, Messages, Reports, and [Helpdesk](#). Reports are accessible only to Managers, Teachers, and generally non-students. [Helpdesk](#) is a shortcut to DILC's online support system.

**My Profile** is where you can provide information about yourself, especially your contact details.

## Where Your Course Is

The screenshot displays the UVLe user interface. At the top, a red navigation bar contains the UVLe logo, a user profile icon, and a search bar labeled "Search Courses". Below the navigation bar, the main content area is divided into several sections. On the left, there is a "Hi User!" section with links for "My profile", "My private files", and "Logout". Below this is a "UVLe Quick Links" section with links for "Contact UVLe Administrator", "View All UVLe Courses", and "UPD Faculty Mailing List". Further down is a "UP's Top Profs" section featuring a "greatideas.ph" logo and a "Vote Now" button. The main content area includes a "My profile settings" section, a "University of the Philippines Virtual Learning Environment" header, and a "Vote Now" button. Below this is a "Engage!" section with links for "Calls for Papers", "Calls for Comments", "Into the UP blogosphere!", and "Training Workshops on UVLe". A "Site news" section is also visible. On the right side, there is a "Main menu" section with links for "Site news", "Quick Start Guide", and "UVLe Chatroom". Below this is an "Upcoming events" section with a "Deadline for College-approved list of candidates for Graduation" event. At the bottom, there is a "UP Diliman Twitterverse" section with tweets from users like LeighFuentes and phyllisgarces. A "My Courses" dock is located at the bottom left, showing a course titled "arkl UVLe for Archite...". A blue arrow points from the "Search Box" label to the search bar, and another blue arrow points from the "My Courses" label to the "My Courses" dock.

If you have yet to enrol in your UVLe course, the **Search Box** is your best bet in finding your course. After enrolling or registering in your UVLe course, your course is shown under **My Courses** on the Dock. Your courses are also listed in your **Dashboard**, one of the options in the Dock as well.

Teachers who have requested the opening of courses through **DILC** or their Unit's course creator, should find their courses directly under **My Courses** or under the **Dashboard** once they become available.
