# UP-NCPAG: A TRADITION OF EXCELLENCE

- The **National College of Public Administration and Governance (NCPAG)** has been the pioneering leader of the discipline in the Philippines and in Asia since its establishment as the Institute of Public Administration in 1952
- The College has expanded its scope from governmental management to the broader concerns of governance, including the roles of the private sector and civil society

MOA signing between the officials of the University of the Philippines and the University of Michigan to establish the Institute of Public Administration (1952).
