

The UVLe Interface

This page introduces the UVLe interface.

1st Page after log in

The screenshot displays the UVLe interface with three callout boxes:

- My Profile:** A black box with white text pointing to the user's profile information, including a "Hi User!" greeting and links for "My profile", "My private files", and "Logout".
- Important Links:** A black box with white text pointing to a central navigation area containing links for "University of the Philippines Virtual Learning Environment", "Tips", "FAQs", "Why Use UVLe Instead of Yahoo or Google Groups", "Known Issues", and "Help via UVLe Chat Room or DILC Chat".
- The Dock:** A black box with white text pointing to a red bar at the bottom of the page containing icons for "UVLe", "UVLe Users (2)", and "Contacts (1)".

The Dock provides shortcuts to important pages on UVLe. It includes the Dashboard, My Courses, My Files, Messages.

Important Links to [UVLe documentation](#), Tips, Frequently Asked Questions, Guide to Using UVLe.

My Profile is where you can provide information about yourself, especially your contact details.

Where Your Course Is

The screenshot displays the UVLe user interface. At the top left, the user is greeted with "Hi User!" and options for "My profile", "My private files", and "Logout". A "Search Box" is prominently featured at the top right, with a blue arrow pointing to it. Below the search box, the main content area includes a "VOTE NOW" button and a "My Courses" section, both highlighted with blue arrows. The "My Courses" section shows a list of courses, with one course titled "arki" under "UVLe for Archite...". The interface also features a "Main menu" with links to "Site news", "Quick Start Guide", and "UVLe Chatroom". A "Twitterverse" section on the right displays recent tweets from users like LeighFuentes and phyllisgarces. The bottom of the interface shows a dock with "UVLe Users (12)" and "Contacts (1)".

If you have yet to enrol in your UVLe course, the **Search Box** is your best bet in finding your course. After enrolling or registering in your UVLe course, your course is shown under **My Courses** on the Dock. Your courses are also listed in your **Dashboard**, one of the options in the Dock as well.

Teachers who have requested the opening of a course through **DILC** or their Unit's course creator, should find their courses directly under **My Courses** or under the **Dashboard** once they become available.

Inside your Course

The screenshot shows the UVLe course interface. At the top, there is a navigation bar with 'UVLe', 'Course administration', 'My profile settings', and a search box. Below this, the user is logged in as 'Hi User!' with links to 'My profile', 'My private files', and 'Logout'. The main content area is titled 'Topic outline' and lists several topics: 'UVLe 101 UVLe basics', '1 DILC's Services', '2 Not available', '3 Plan with clear learning outcomes', and '4 Basics of the Platform'. A blue box highlights the 'Topic outline' section, and a black callout box labeled 'The Wall' points to it. To the right, there is a 'Latest news' section with two posts: 'UVLe Support' and 'Dawn Benigno'. A black callout box labeled 'Latest News' points to this section. Below the news is a calendar for November 2011 and an 'Events key' section.

The Wall is where you find the topics, the activities, assignments, readings and other resources of the Course. Usually this is maintained by your teacher.

Latest News keeps track of announcements or postings from your teacher. You may also respond to a post and your response is sent out to everybody in the class.
