Where Your Course Is

The screenshot displays the UVLe user interface. At the top, a red navigation bar contains the UVLe logo, a user profile icon, and a search bar labeled "Search Courses". A black callout box with a white border and the text "Search Box" has a blue arrow pointing to the search bar. Below the navigation bar, the main content area is divided into several sections. On the left, there is a "Hi User!" section with a profile picture and links for "My profile", "My private files", and "Logout". Below this is a "UVLe Quick Links" section with links for "Contact UVLe Administrator", "View All UVLe Courses", and "UPD Faculty Mailing List". Further down is a "UP's Top Profs" section featuring a "greatideas.ph" logo and a "Vote for your favorite prof!" button. The main content area includes a "My profile settings" header, a "University of the Philippines Virtual Learning Environment" introduction, and a "Choices, Choices, Choices" section with a "VOTE NOW" button. Below this is an "Engage!" section with links for "Calls for Papers", "Calls for Comments", "Into the UP blogosphere!", and "Training Workshops on UVLe". A "Site news" section is also visible. On the right side, there is a "Main menu" with links for "Site news", "Quick Start Guide", and "UVLe Chatroom". Below this is an "Upcoming events" section with a "Deadline for College-approved list of candidates for Graduation" event. At the bottom right, there is a "UP Diliman Twitterverse" section with a "Join the conversation" button. At the bottom of the page, a red dock contains a "My Courses" button, which is highlighted with a blue callout box and a blue arrow. The dock also shows "UVLe Users (12)" and "Contacts (1)".

If you have yet to enrol in your UVLe course, the **Search Box** is your best bet in finding your course. After enrolling or registering in your UVLe course, your course is shown under **My Courses** on the Dock. Your courses are also listed in your **Dashboard**, one of the options in the Dock as well.

Teachers who have requested the opening of courses through **DILC** or their Unit's course creator, should find their courses directly under **My Courses** or under the **Dashboard** once they become available.
