OBJECTIVES

- * To provide a forum for examining critical issues in education that affect the nation
- * To provide an opportunity for pre-service and practicing teachers to share research findings on new trends, experiences, and best practices in teaching and learning
- * To strengthen institutional goals in research and encourage dissemination and utilization of research findings
- To identify emerging challenges and opportunities that may lead to the development of new strategies in educational policies, plans and programs, and mobilization of resources
- * To build a community and network of researchers and educators to develop plans for future actions

BRIEF HISTORY OF NCRTE

STRANDS

- * Leadership in Education
- * Teaching and Learning
- * Assessment and Evaluation
- * ICT in Education
