

UP-VSB Honor Graduate Letaba, One of Ten Outstanding Students of the Philippines

Raphael Aaron A. Letaba was chosen as a national awardee in the 2015 Ten Outstanding Students of the Philippines (TOSP) during the awarding ceremonies held at the Malacañan Palace last July 30, 2015. Letaba is a BSBA cum laude graduate of the Cesar E.A. Virata Business School in June 2015. From 231 students nominated from participating schools nationwide, this number was reduced to 84 regional awardees and later, 30 national finalists. The national finalists attended a five-day National Formation Program.

The search for TOSP that started on June 19, 1961 recognizes graduating college students who exemplified and balanced their academics, leadership and community involvement. It is a project of the RFM Foundation.
