

Castillo is one UPAA's Distinguished Alumnus Awardees for 2013

Ramon I. Castillo (UP MBA 2008) is one of the recipients of the UP Alumni Association's Distinguished Alumni Awards in 2013 during the UP Grand Alumni Homecoming held at Ang Bahay ng Alumni, UP Diliman campus last 22 June 2013. Castillo was recognized for entrepreneurship and employment creation. As President of Innovatronix, Inc. Castillo grew his company from less than five employees in 1991 to more than 600 personnel in 2011. The sales growth of Innovatronix Inc. averaged a compounded growth of 40% per annum for the past 20 years.

A dynamic social entrepreneur, engineer and inventor, Ramon I. Castillo has made outstanding contributions in the field of inventions (as holder of nine patents), and electrical engineering and has made an impact in the community by providing livelihood opportunities among indigenous communities. Castillo was one of the Top 100 Engineers of the last 100 years of the UP College of Engineering during its Centennial Celebration last May 2010. He graduated at the top of his MBA class in 2008 and completed his BS Electrical Engineering from UP Diliman in 1982.
