

WE ARE THE MARKS WE MAKE.  
WE ARE THE **LEGACIES** WE CREATE.

# ACCOMPLISHMENT REPORT

MIDYEAR 2016  
FIRST SEMESTER 2016-2017

## Innovative

We offer something new, unexcused by precedent.

Create projects that are worthwhile and have an impact on the community.

## Action

# Leadership

## Social Responsibility

As a socio-political organization, OP PDRM recognizes the need to aid the community through relevant projects and campaigns.

Projects must maintain good academic standing with Young Professionals and their commitments. We believe that being relevant students is to educate ourselves to be good leaders.

## Academic Responsibility

## Responsive

Address the needs of the people we serve.

# Service

# at your service

## Progressive

Always growth and improvement, never stagnation.

## Camaraderie

A sense of companionship and fellowship in its members shall be upheld in order to bring about unity and parallelism towards a common goal. In addition, a good relationship with other university organizations shall be maintained.

## Political consciousness

Student level concern of all forms is promoted to engage students in timely and sagable solutions to relevant problems in the College, the University, and the Nation.

Thus, we strive for

## Excellence

through projects, activities, and campaigns that are geared towards this very goal.

## Integrity

OP PDRM is committed to high go-to message transparency in all our work programs. We are not so transparent, like we'll never be betrayed by the organization.

## Independent

at any other socio-political organization or entity.

Always setting our own goals and by "Strongly believe that we find true success in our endeavors, always."

# MESSAGE FROM THE EXECUTIVE COMMITTEE
